Sir:

AMENDMENT

In reply to the Office Action dated April 29, 2002, the period for response to which having been extended to October 29, 2002 by petition and payment of the requisite fee filed herewith, please amend the application as follows:

IN THE CLAIMS:

Please cancel claims 15 and 16 without prejudice or disclaimer and amend claims 1-14 to read as follows:

1. (Amended) A substance delivery device for insertion into a body cavity, said device includes a support frame having at least two resilient arms which retain said device in the body cavity, wherein each resilient arm is capable of receiving and releasing a substance delivery means capable of releasing substance into the body cavity.
